

LETTER OF APPRECIATION

DATE: - 12-06-2023

TO,

Mr. EMAD ABDULLAH HASAN.

GENERAL MANAGER

HYDROLIN K ENGINEERING SERVICES.

DOHA, QATAR.

On behalf of WHITE CROWN TRANSPORT TRADING & SERVICES, we extend our thanks and appreciation to you for your distinguished products that have been presented to us. Over the past months. Our Company has installed D50 Greentech devices on

MERCEDEZ BENZ ACTROS. Truck

And through experimenting with (Fuel saving solutions) we found a real difference by installing on Greentech unit, and we have seen satisfactory results after carrying out all the experiments whose results came in line with our expectations, saving of 10% of Fuel consumption for The Vehicle without any problems or obstacles. Our driver recorded lower noise at the engine and increase in the horse power of the truck.

Best regards,

Mr. Ahmed H Younis.

General Manager

White Crown Transport Trading & Services.
