Subject: Greentech Fuel saving device

I am writing to express my complete satisfaction with Greentech Fuel Saving Device. Over the past two months, our company has used the **D50 device on 6 vehicles**, and the results are impressive.

Based on our fuel consumption data, we have achieved **a 22% improvement** in fuel efficiency. This has led to a significant reduction in our operational costs.

Sr.No	CET Code	REG. NO.	BRAND	Model	Before GreenTech	After GreenTech		
					May-June/2025	July - August/2025	Increase amount	Increase percent
					Rate Km/L	Rate Km/L	Km/l	
1	138	291349	MAN	2015	1.8	2.02	0.22	12.22%
2	140	291352	MAN	2015	1.9	2.43	0.53	27.89%
3	419	31570	MISTUBISHI	2015	2	2.5	0.50	25.00%
4	512	28274	FUSO	2017	2	2.48	0.48	24.00%
5	363	34504	MISTUBISHI	2016	1.8	2.27	0.47	26.11%
6	426	171525	FORD	2022	2	2.4	0.40	20.00%
Average								**22.54%**

We are very pleased with the device's performance and highly recommend it as a valuable investment for anyone looking to save on fuel.

Sincerely,

Mohamed Shiyas
Operation Manager
